

STMUP 2011 SOFTBALL TEAM UPDATE

All from the St. Thomas More University Parish community are encouraged to come out and cheer on our 2011 Parish Softball team!

As part of local Church League, players celebrate the athletic gifts and talents they have received and, even while at play, strive to glorify our God!

We received the final details of this season just a few days ago and invite you to keep this schedule handy so that on a beautiful summer evening, you will plan to come support our parish team!

Thus far, our team's record stands at 2 wins and one loss - a GREAT way to begin a season!!!
